Course Outcome of the Student's Performance (2021-22)

- 1. Mentoring from Department:** Teachers have taken the initiative to know every student of their respective departments as the session goes on. The departments engaged themselves to find out the slow-medium-fast learners and teach them accordingly. Departments also recommend the list of the students for merit-cum-means freship provided by the college and by the government from time to time.
- 2. Mentoring from IQAC:** At the beginning of each semester, IQAC introduces Orientation Class for all students and teachers. IQAC encourages each department to organize Mentor-Mentee Program.
- 3. Teachers Council:** In the meeting of the Teachers' Council, discussions have been made for the students starting from their Admission, to classes, to libraries, to laboratories, into their examinations and their results with feedback provided by them.
- 4. Discussion on Result:** Outcomes of the student's performance have been analyzed in the meeting of the Teachers' Council and IQAC. Teachers also discussed the performance of the students in the classrooms during Departmental Meetings. They also inform the students about their results and help them to understand their mistakes.
