Accredited by NAAC with Grade B

Affiliated to Sidho-Kanho-Birsha University

Greetings from the Teacher-in-Charge

Kashipur Michael Madhusudan Mahavidyalaya is an educational institution imparting undergraduate education. The College firmly believes that excellence of institutions of higher education is a function of many aspects of which self-evaluation and self-improvement are important. It is one of the premier institutions in West Bengal established on 26th September, 2000 as a Government-aided college with the affiliation of the University of Burdwan. Since 2011, the College is affiliated with Sidho-Kanho-Birsha University, Purulia and has offered invaluable service in regard to the spread of educational opportunity for a large number of prospective students of a comparatively backward district.

The mission of our institution is to provide quality education in maintaining a healthy and disciplined academic atmosphere. The College has a dedicated and sincere faculty for whom the academic interests of the students are of utmost importance and can boast of consistently excellent results in the University examinations. By the end of their college life students are equipped with inner strength and confidence to face society in general and the world of higher learning in particular, to become a complete man or woman.

My heartiest congratulations go to the all well-wishers, Department of Higher Education, Government of West Bengal, Authority of SKBU, University Grants Commission, the hon'ble members of the Governing Body, the teachers, the non-teaching staff, the students, their responsible guardians and all corners of the society for maintaining an ideal and peaceful academic atmosphere in the institution.

During 28-29 November, 2016 National Assessment and Accreditation Council (NAAC) had visited our institution and graded "B" which will be valid till January 2021.

Last but not the least, we always remember with due respect those people who have touched our College with their different types of dedicated works. They did their novel works, now it's the time for us to carry forward the legacy.

Dr. Suvranshu Pan
Teacher-in-Charge

History and Objectives

Kashipur Michael Madhusudan Mahavidyalaya, an institution for imparting undergraduate education, was founded in Kashipur (situated about 8 km away from Adra railway station) in the district of Purulia of West Bengal, on 26th September, 2000 with the sincere help and active cooperation of the people around Kashipur. In the month of September of 1872 the famous poet, Michael Madhusudan Datta took charge as the Legal Advisor to the Panchakote Raj Estate from Raja Nilmani Singh Deo of Panchakote. Later he was promoted to the prestigious office of the Treasurer. Although the tenure was not all that happy and satisfying to Madhusudan, he obtained within a short time some pleasure and interest in the life of the people living around, as well as the nature and the place itself the evidence of which could be found in some of his sonnets. As a token of remembrance of the association between the place and the poet, the College was named “Kashipur Michael Madhusudan Mahavidyalaya”. In the course of its more than eighteen years of glorious journey, the College has earned quite a few distinctions.

Our Goals

The steady urge made by the people of Kashipur for the establishment of a College was fulfilled and the cherished Mahavidyalaya came into being on 26th September 2000. The opening of the College at Kashipur at once offered invaluable service in regard to the spread of educational opportunity for a large number of prospective students of a comparatively backward district. Their opportunities constitute our aims. The opportunities are:

- i) to provide the students of Kashipur and adjacent area with the opportunity to enhance their educational qualification through receiving higher education and to enable them to build their capacity necessary for being effectively and gainfully employed;
- ii) to bring the local people living around in touch with various educational and social welfare services undertaken by the College through NSS or other extension activities; and
- iii) to humbly attempt to create an atmosphere of learning and awakening through the gradual spread of education and academic culture.

The College has always been receiving generous help and cooperation from the people associated with it and also from the people and well-wishers at large as well as eminent personalities of the locality. We hope and believe that this cooperation will go on increasing.

We always remember with due respect those people who have touched our College with their dedicated works. They did their novel works, now it's the right time for us to continue what they left for us.

The volunteers are supposed to offer their selfless service during the 1st and the 2nd Year of their College life. Generally, the duly constituted NSS Advisory Committee chooses willing male and female students who have aptitude for philanthropic and disciplined service. The volunteers are primarily guided by the NSS Programme Officers namely Swapan Kumar Mahata (Unit I) and Animesh Supkar (Unit II) themselves teachers of this institution with adequate experience and training. The programmes include 'normal activities' like literacy training, everyday cleaning, awareness campaign on issues related to physical and moral health, personal and public hygiene, protection of environment, and a 'special camping programme' in some nearby village. In the last session, the camps were organised in Rangiladih (Unit- I) and Gopalchowk (Unit- II) from 8th to 14th October 2015 on the theme, "Preservation of Natural Resources and Conservation of Cultural/ Historical Heritage".
