### ***Greetings from the Principal***

*Welcome to the corridors of Kashipur Michael Madhusudan Mahavidyalaya, an educational institution imparting undergraduate education. The College firmly believes that excellence of institutions of higher education is a function of many aspects of which self-evaluation and self-improvement are important. It is one of the premier institutions in West Bengal established on 26<sup>th</sup> September, 2000 as a Govt. Sponsored College and has offered invaluable service in regard to the spread of educational opportunity for a large number of prospective students of a comparatively backward district. The mission of our institution is to provide quality education in maintaining a healthy and disciplined academic atmosphere. The Mahavidyalaya has a dedicated and sincere faculty for whom the academic interests of the students are of utmost importance and can boast of consistently excellent results in the University examinations. By the end of their college life students are equipped with inner strength and confidence to face society in general and the world of higher learning in particular, to become a complete man or woman. ***In the course of its nineteen years' of glorious journey, the Mahavidyalaya has earned quite a few distinctions. In November 2016, it was accredited by NAAC with Grade 'B'. We firmly believe that every stone of any success is only because of the novel contribution from different types of member of the Mahavidyalaya.****

*My heartiest congratulations go to the all well-wishers, Department of Higher Education, Govt. of W.B., Authority of SKBU, University Grants Commission, the hon'ble members of the Governing Body, the teachers, the non-teaching staff, and most importantly to our beloved students & their responsible guardians and all corners of the society for maintaining an ideal and peaceful academic atmosphere in the institution. ***Last but not the least, we always remember with due respect those people who have touched our Mahavidyalaya with their different types of dedicated works. They did their novel works, now it's the time for us to carry forward the legacy.****

Dr. Bibhas Kanti Mandal  
Principal
