FROM THE DESK OF THE PRINCIPAL

“Education is what gives deliverance / emancipation”. The message of Rabindranath Tagore, “My salvation is in abundance of light”, will dawn hand in glove with the heritage in our Educational Institution. The geographical location of our educational Institution is in the verge of West Bengal’s stony soil, in the sylvan shadows of *Shal* and *Palash* and is surrounded by the culture of popular folklores. Our new family comprises the industrious boys and girls of stony hard soil of Purulia. The college that saw the light of the day on 26th September 2000, has been completed 23 excellent years of academic achievements. To achieve Higher Grade from NAAC in next cycle is our immediate objective. Besides that, by increasing the intake capacity by one-and-a-half times in 8 Honours disciplines and implementing postgraduate degrees, we will proceed towards sustained development, not in the evaluation of degrees, but in building a simple, easy and linear *Veda* of life, by bridging the gulf between the basic need of life and formal education. By exposing the root culture, namely ‘*Vadu Gan*’, in the arena of international symposium, we have tried to touch the indigenous culture of the soil. We have started to register the legacy of heritage through the introduction of Diploma course in *Folk-song* and *Vadu Gan* of Manbhum.

With a view to touching the *Jivan-Veda*, and to instilling the joyous songs of life into the heart of the new generation, we are making an effort to build up a Department of Culture, with various courses on basic culture, its assessment and performance. We are also trying to preserve, reform, develop and prevent from depravity and deformity, those cultures which are extinct and in the threshold of extinction. Special emphasis is given to the practical aspect as well to the inculcation of this passion and emotion of life in these fields. With the object of increasing the financial condition for the economically backward regions, we are moving towards promoting various schemes like kitchen garden, considering the quality and nature of soil, seed processing, different products and ingredients from *Palash Leaves*, and Honey Preservation. Keeping in view of the Vocational based learning, a scheme has been taken to introduce Nursing Training for the women of this Tribal dominated region.

For the all round and sustained development of human resources, our journey remains unhindered through Curriculum and Co-curricular activities. Our expectation: “We shall overcome someday”.

With best wishes

Dr. Bibhas Kanti Mandal

Michael Madhusudan Dutta (1824 – 1873)

Kashipur Michael Madhusudan Mahavidyalaya, an institution for imparting undergraduate education, was founded in Kashipur (situated about 8 km away from Adra railway station and about 35 km from Purulia railway station under South-Eastern Railways) in the district of Purulia of West Bengal, on 26th September, 2000 with the sincere help and active cooperation of the people around Kashipur. In the month of September of 1872, the famous poet, Michael Madhusudan Datta took charge as the Legal Advisor to the Panchakote Raj Estate from Raja Nilmani Singh Deo of Panchakote. Later he was promoted to the prestigious office of the Treasurer. Although the tenure was not all that happy and satisfying to Madhusudan, he obtained within a short time some pleasure and interest in the life of the people living around, as well as the nature and the place itself – the evidence of which could be found in some of his sonnets. As a token of remembrance of the association between the place and the poet, the College was named “Kashipur Michael Madhusudan Mahavidyalaya”. In the course of its more than twenty-two years of glorious journey, the College has earned quite a few distinctions.

OUR GOALS

The steady urge made by the people of Kashipur for the establishment of a College was fulfilled and the cherished Mahavidyalaya came into being on 26th September 2000. The opening of the College at Kashipur at once offered invaluable service in regard to the spread of educational opportunity for a large number of prospective students of a comparatively backward district. Their opportunities constitute our aims. The opportunities are:

- i) To provide the students of Kashipur and adjacent area with the opportunity to enhance their educational qualification through receiving higher education and to enable them to build their capacity necessary for being effectively and gainfully employed;
- ii) To bring the local people living around in touch with various educational and social welfare services undertaken by the College through NSS or other extension activities; and
- iii) To humbly attempt to create an atmosphere of learning and awakening through the gradual spread of education and academic culture.

The College has always been receiving generous help and cooperation from the people associated with it and also from the people and well-wishers at large as well as eminent personalities of the locality. We hope and believe that this cooperation will go on increasing.

We always remember with due respect those people who have touched our College with their dedicated works. They did their novel works, now it's the right time for us to continue what they left for us.

Internal Quality Assurance Cell (IQAC)

The **Internal Quality Assurance Cell (IQAC)** has been set up for the betterment of the educational quality of the college in 2012. IQAC also looks after the maintenance and enhancement of quality in College academics. The cell, comprising Principal, two external academicians from University, one teacher Coordinator, three teacher members, one local educationist from college Governing Body, one non-teaching member and one student member meets regularly to discuss on admission, results of semester examinations, introduction of new courses, research activities of faculties and all other related academic issues. It frequently receives feedback from students for individual teachers and on courses taught by them. IQAC leads to visit NAAC Peer Team for its first cycle in 2016 and secured grade B. Since then, IQAC has submitted 06 AQAR up to 2021-22. Currently the college is preparing for 2nd cycle of NAAC visit.

Plans for 2023-24 Academic Session:

- Submission of Annual Quality Assessment Report (AQAR: 2022-23) within December 2023 and IIQA and SSR within March 2024 as a part of preparation for next cycle of NAAC visit.
- Implementation of National Education Policy 2020 (NEP 2020) from the 2023-24 academic session as per notification from the Department of Higher Education, Government of West Bengal following the SKBU guidelines.
- There is a plan to introduce 360 degree feedback i.e. feedback will be taken from students (for all the semesters), teachers and non-teaching staffs, administrators and from Alumni and parents.
- Regular interaction with each of the 18 departments separately regarding curriculum updates and progress of students.
- Publish the 2nd volume of the multi-disciplinary journal **Pathachakra-2**, from the lectures of Seminars, Conference, Workshop, Special Lectures and Webinars presented by renowned teachers and research scholars.
- Upgradation of faculty members with more emphasis on research work and publications.

NAAC – CYCLE 1

Adolescence is the time when the parents need to be careful about their child and guide them to the right direction. In its adolescent age of 18 years in 2016, the college has obliged to the National Assessment and Accreditation Council, for sending its Peer Team – Prof. R.S. Bawa, Prof. G.S. Bawa and Prof. V.S. Karki – for the overall assessment of the College. We are thankful to the Peer Team members for rendering some invaluable suggestions for the betterment of the College facilities and for lifting up the standards of the education that we impart to the students. We will definitely work upon our deficiencies and try to make good their valuable suggestions. ***In November 2016, the College was accredited by NAAC with Grade 'B'.***

The College is preparing for 2nd Cycle of NAAC Visit. The main motto of the 2nd cycle is to uplift the college qualitatively in education and co-curricular activities which prepare our students for the skill and qualified for their bright future. The whole team of IQAC is working on the suggestions and guidelines in all the seven criterion of assessment set by the NAAC team members during their visit for 1st Cycle.

ACADEMIC AUDIT

Academic Audit of the College has been done by the visiting members of Sidho-Kanho-Birsha University on 28th March 2018 for the overall assessment of our College. This team comprises:

- a) *Dr. Priyanath Haldar, Inspector of Colleges, SKBU*
- b) *Dr. Prof. Dhananjoy Rakshit, Dean, Faculty of Commerce, Professor & Head, Department of Commerce, SKBU*
- c) *Dr. Ardhendu Sekhar Patra, Dean, Faculty of Science, Professor & Head, Department of Physics, SKBU*
- d) *Prof. Samirranjan Adhikari, Professor and Head, Department of Education, SKBU*
- e) *Prof. Ashim Kr Nath, Professor, Department of Zoology, SKBU*
- f) *Dr. Subrata Raha, Associate Professor & Head, Department of Botany, SKBU*

We are thankful to the Academic Audit Team members for rendering some invaluable suggestions for the betterment of the College and for lifting up the standards of the education that we impart to the students. The college will definitely work upon our deficiencies. The College is planning for next Academic Audit from SKBU before entering into the process of 2nd cycle of NAAC visit.

Bhadu Diploma Course

- ❖ The college has introduced **One Year Diploma Course in “Manbhumer Lokogan O Bhadu (Manbhum Folksong with Emphasis on Bhadu)** from the session 2018-19. No of Seats for the course is 25.

Certificate Course

- ❖ The College has introduced Pradhan Mantri Kaushal Vikash Yojana (PMKVY) Centre for short term (duration of three months) **Certificate Course on Nursing for Women**. No of Seats for the course is 25.

ICT/Online Courses

- ❖ Our college already started the online software courses in collaboration with **IIT Bombay**. This college, in this respect, drafted MOU with IIT Bombay to run the online software courses entitled ‘Spoken-Tutorial’.
- ❖ Besides, this also a platform for providing courses in various disciplines like Diplomas, Certificates and Short term courses through **SWAYAM** Platform under the MHRD, Govt. of India.
- ❖ Our College is a **Network Institute** of Indian Institute of Remote Sensing (IIRS) Outreach Programme since January, 2017.

Add-on Courses

Two Add-on Courses have been conducted during 2022-23. The College is taking initiatives to introduce a few more Certificate and Add-on Courses.

- (a) Add-on Course in Economics (15.03.2023 to 15.04.2023): “Hands-on Training of MS-Office”
- (b) Add-on Course in Sociology (08.04.2023 to 20.05.2023): “Communicative Skills and Language Enhancement”

Research Facilities

With the sincere efforts of the Research Cell of our College, a “Research Centre” in affiliation with Sidho-Kanho-Birsha University had been set up in the academic year 2017-18 to run the following programmes with collaboration of SKBU. Teachers from different subjects have been registered as Supervisors for the guidance of:

- Ph.D. in Bengali (2 teachers)
- Ph.D. in Economics (1 teacher)
- Ph.D. in Sociology (1 teacher)
- *The centre will also conduct non-formal research in various disciplines. Translation of ‘Yoga-Meditation’ is one such theme project.*

Research at the Campus

Most of the faculty members are actively engaged in research work related to their subjects. Some young faculty members are doing their Ph.D. work in different Universities. Faculties of Bengali, Economics, Geography, Chemistry and History have completed Eight (08) **Minor Research Projects** funded by UGC. Strong collaboration with different faculties of various Universities has been and is being established by our faculties. Regular research publications in various national and international journals are a usual habit of our faculties. Our faculty members usually present their research work in the various National and International conferences held in all over India and abroad also. It is a matter of proud that they are the winners of prestigious medals in all most all of those conferences.

Research Output: During last six academic sessions (2016-2023), 10 Books and 37 research papers have been published by the faculties in various national and international journals of considerable repute.

Research Training: One week Research Training Course on “Statistical Analysis using MS Excel and SPSS” has been conducted during 04.04.2022 to 09.04.2022 organized by the Department of Geography and IQAC. Several teachers have been participated in the course and benefited from the course. There will be more such programs to be organized in near future with resource persons and participants from outside the campus.

Library as Learning Resources

We have a well equipped and furnished library including reading room facilities. Apart from textbooks based on the syllabus of different subjects, variety of reference books, dictionaries, encyclopedias and journals are available in the library. Books and reputed journals are brought and subscribed at regular interval utilizing financial assistance available from UGC, Higher Education Department, Govt. of West Bengal or other sources.

(i) Reference Section: We have general Encyclopedia like Britannica, Americana, Soviet, and Encyclopedia on various subjects, dictionaries on languages and subjects, directories, manuals, handbooks etc. and copies of most of the text books that the students need. We also subscribe to

significant number of journals and about 6000+ e-journals through **INFLIBNET-NLIST**.

(ii) Lending Section: The library has a rich collection of more than 14,000 printed and large numbers of e-books about 31,35,000 + e-books through INFLIBNET-NLIST books on different subjects. Students are issued 1 lending cards. Against each lending card, they can borrow 2 books for 15 days. Time for issuing of books from lending section: 10.30 am - 4.30 pm.

(iii) Reading Room: There is a separate Reading Room section which is open from 10.00 am to 4.30 pm. Here the students can engage themselves in serious study, either using their own books or the text-books available in this section. Question papers of the Semester and Mid-Semester examinations are kept in the Reading Room, for reference.

(iv) Computerization: The Library is partially computerized. Computerized catalogue search facility based on author / title / keyword / subject will be available for the purpose of borrowing of books very soon. Some other features of the computerization process are also being planned.

(v) Departmental Library: Each Department has its own separate Departmental Library. There is a separate Book Bank for needy students of Geography Department at the Geography Laboratory.

Library rules and regulations:

- | All Users will have to come to the college library personally to receive book on loan.
- | Users can issue 2 books at a time for 15 days.
- | Users can renew the book for one time.
- | Books borrowed on a particular day cannot be returned in the same day.
- | The books should be returned on or before the due date, if return late overdue fine will be charged.
- | Readers shall not write upon, damage, or make any mark upon any book, journal or magazine, or other material belonging to the library.
- | Users are instructed to check the books while issuing and they will be responsible for any type of damage or mutilation discovered at the time of return.
- | If the books are lost, then the users have to replace the same books.
- | Loss of card must be reported immediately to the issuing authority.

The College runs several disciplines that require imparting theoretical as well as practical training to the students of the respective subjects.

- We believe that our fairly equipped laboratories of Geography, Chemistry, Zoology, Physics, and Botany are capable of catering to the academic interest of the students.
- There are also two Instrumental Laboratories for Music and Physical Educations also in the college.
- A Language Laboratory will be planned for the 2023-24 academic session with resources which will include Bengali, English, Sanskrit, Santali, and Kudmali.

Rules for Payment of Dues

Every student must pay the monthly fee within 15th of every month, beyond which a fee of Rs. 5/- shall be charged. In case, if any student is unable to pay the fees for three consecutive months or remains absent from the College for consecutive three months, his/her name shall be struck off from the register of the College. If he/she wants re-admission, then, all the previous dues along with re-admission fees and another Rs. 5/- has to be paid.

STUDENT SUPPORT PROGRAMMES

- 1) All students belonging to ‘Scheduled Castes’ (SC), ‘Scheduled Tribes’ (ST) and ‘Other Backward Classes’ (OBC) are eligible for obtaining scholarship from the Government of West Bengal. The students need to draw certificates from the College before applying for the scholarship to suitable authorities of the Backward Class Welfare Department. The interested students are advised to see the Notice Board for notification in this regard.
- 2) Applications from meritorious but financially challenged students are considered for granting financial support on the dual basis of ‘merit’ and ‘means’ every year. However, for those students who will have failed to secure qualifying marks in Semester Examinations (Internal Assessment and each Semester Examination) and/ or would fall short of stipulated percentage of class attendance (75% as per the rule framed by S.K.B. University) this ‘support’ will be withdrawn— summarily and for good. The decision by the College authority in this respect will be final and abiding.

➤ Scholarship & Freeship:

(A) Sri Milan Roy, a veteran NRI, kindly extended his benevolence by funding the following

scholarships to the students. Scholarships are generally awarded on the dual basis of merit and financial condition of the students. Eligible candidates are instructed to apply on notification in this regard.

- ✓ **“Maharaja Sankariprasad Singh Deo Memorial Scholarship (MSSMS)”** to be awarded to selected students who have passed from this College and currently pursuing regular UGC-approved post-graduation courses.

PROGRAMMES FOR STUDENT ENRICHMENT

(a) Computer Laboratories & Internet Kiosk:

A separate **Computer Laboratory and Internet Kiosk** has been set up in UGC-NRC at the 1st Floor of Main Building for the academic use of the students. This remains open from 10.30 am to 4.30 pm. Apart from these; departments of **Physics, Chemistry, Mathematics, Zoology, Botany, Economics and Geography** have computers for the use of students.

(b) Online Classes:

1. An ICT class room with smart board facility has been set up for the academic use (especially for online classes) of students by the generous grant received from Govt. of West Bengal.
2. The College is a network institute of the Indian Institute of Remote Sensing, Dehradun. The Department of Geography of the College conducted 19th IIRS Outreach Programme on “Remote Sensing and GIS Applications in Carbon Forestry” during Feb-March, 2017.
3. Since 16th March 2020, the College has been arranging online classes for all semesters. Google Meet, Zoom, WhatsApp, e-mail etc are the media used by different departments. Many departments has been taking Internal Assessment via Google Forms.
4. Departments organize Special Lecture Series and Webinars where distinguished faculties of Universities/Institutes of repute can interact with the students and faculties.
5. The College, of its own, uploads all study materials for each classes in the College website (www.kashipurmmm.org) on a regular basis.

(c) Mentor-Mentee Program:

As guided by the IQAC, various departments of the college organized Mentor-Mentee Program where students presents their views on mentioned topics provided by the department from UG syllabus. During 2020-21 and 2021-22 Academic Sessions, 09 such programs of students’ seminar-cum-presentation have been conducted successfully.

(c) Geographical Excursion:

The students (Semester V Honours and Semester IV Program) of the Department of Geography of the

College go for excursion to distant places where they are exposed to landscapes, locales and habitats novel to their everyday expectations. This helps to inculcate in their minds a sense of Geography. This excursion is for the purpose of ‘partial fulfillment of the curriculum’ of the discipline and the cost of the touring is to be borne by the students—as per rule. However, generally, the expenditure per student is only nominal and varies from one year to another. Teacher escorts accompany the students for their guidance and supervision.

(e) Science Excursion:

Science students are encouraged to visit places of scientific relevance related to their curricula every year.

(f) Field Survey/ Project Work:

Regular **Field Survey** and Excursions have been conducted by the Department of Geography and Economics. As a part of the syllabus, Field Survey will be conducted for most of the SEC subjects including Economics and Botany from the 2023-24 academic session. All the ENVS students have submitted a **Project Report** as a part of their curriculum in the first year.

(g) International and National Conference/Seminar/Workshop:

During last seven academic years (2016 - 2023) different departments of this college has hosted 01 National Level Conference (**Economics**); organized 02 International Seminars (**Bhadu** and **Sociology**) and 05 National Seminars (**History, Philosophy, Chemistry, Sociology and English**); organised 04 Workshops (**Geography, IQAC, Teachers’ Council**) and also organized 15 state level seminars.

By participating in these major academic events the students of the respective departments among others could avail of the great opportunity to listen to the erudite speeches delivered by a host of reputed scholars and also to take part in the debates and discussions. The current academic year will also facilitate the students through this type of academic programmes.

(h) International and National Webinar / Lecture Series / Observation of Important Days:

Different departments of this college have organized International and National Webinars and several online invited lecture series during last few months. During the last three academic years (2020-21, 2021-22 and 2022-23), **29 Webinars** on various topics, **80 Special Lectures** on UG syllabus, and **14 Days of National Importance** has been observed by various departments of the college in

collaboration with IQAC. Michael's 200th Birthday was observed on 25.01.2023 with a Seminar and a rally of students and teachers. This observation will be continuing throughout the year and will end on 25.01.2024.

Important Days observed at the college are: (a) 1st to 7th January: Students' Week; (b) 12th January: Youth Day; (c) 23rd January: Netaji Birthday; (d) 25th January: Michael's Birthday; (e) 26th January: Republic Day; (f) 21st February: International Mother Language Day; (g) 9th March: Women's Day; (h) 17th April: Bengali New Day Day; (i) 9th May: Tagore's Birthday; (j) 5th June: World Environment Day; (k) 21st June: International Yoga Day; (l) 15th August: Independence Day; (m) 5th September: Teachers' Day; (n) 26th September: College Foundation Day; (o) 1st November: Purulia Day; (p) 22nd December: Santali Language Day.
